Was briefed by [REDACTED] of the Operational
Offices on his recent mission [REDACTED]
of O/RR, representing the Intelligence Offices, has not
as yet returned. [REDACTED] informed me that prior to
the arrival of himself and [REDACTED] had
dispatched a liaison officer to Washington. I was
extremely surprised at this, since it had been done
without advance notice to us. At the Deputies' meeting,
I mentioned this to DCI and indicated that, had I been
consulted in advance, I would have opposed such a move
on the part [REDACTED] since we have already
had too much trouble [REDACTED] I shall have to
warn [REDACTED] to tread carefully on this matter.
